Join the 55% of Heath residents who, in an opinion poll, said they are going to support keeping the cameras.

VOTE NO on **Issue 5** to keep Photo Enforcement in Heath.

Don't let them repeal Heath's Photo Enforcement Program

Vote **NO** on Issue 5 and keep Heath safe!

In the last four months alone,
at enforced intersections in Heath:

- Speeding has decreased 80%
- Red light running has reduced by almost half

According to the National Highway Traffic Safety Administration

- Speeding is a factor in 31% of fatal crashes in the US and killed more than drunk driving
- The economic cost to society of speed-related crashes is \$40.4 billion annually
- The total economic cost of speeding related crashes is estimated at \$230.6 billion. That's \$76,865 per minute and \$1,281 per second

When it comes to speed enforcement,
the numbers speak for themselves.

Lives are being saved.

On November 3rd, please vote **NO** on Issue 5 in order to keep Photo Enforcement.

Let's give this program a chance to work. It has proven to make our streets safer.

Speeding has been reduced
by 74% at speed camera
enforced intersections.

**Please vote NO on
November 3rd.**

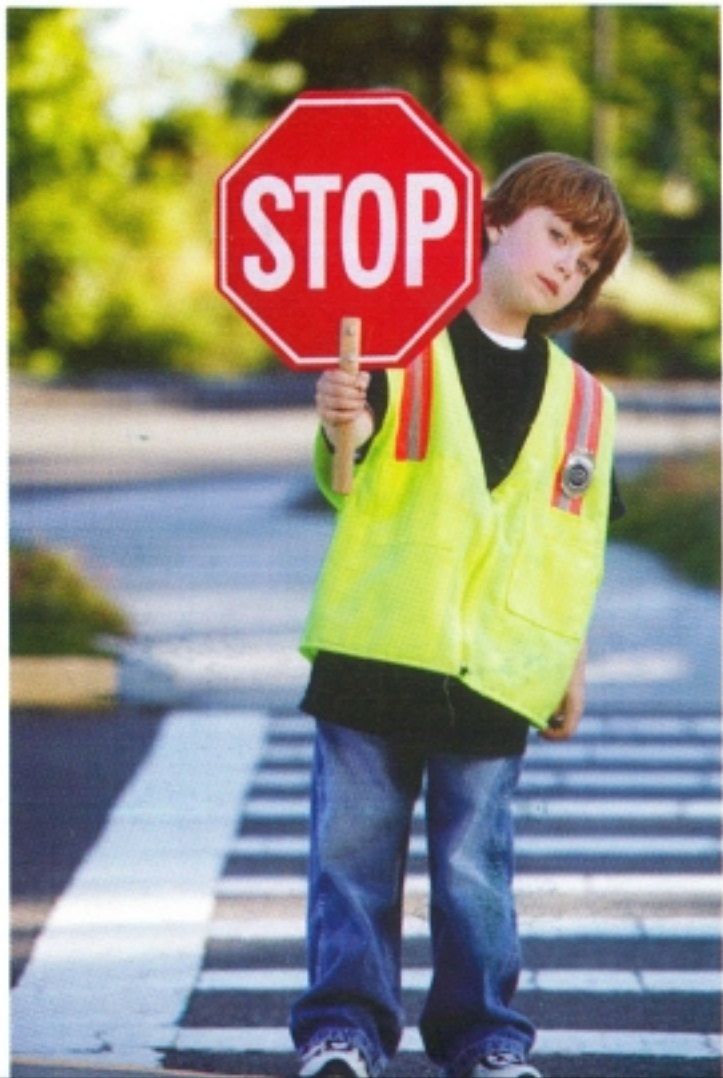

Don't let them repeal
Chillicothe's Photo
Enforcement Program.
